## *Romance Included*

These Caribbean and Mexico beach resorts double your honeymoon fun by mixing **all-inclusive ease** with couples-focused ambience

**Le Blanc Spa Resort, Mexico** This 260-room resort with its airy white decor is proof you can cocoon in Cancun. While nearby all-inclusives tend to be party central, Le Blanc has a wellness focus—while still letting you sip margaritas at sunset (doubles from \$548; [leblancsparesort.com](http://leblancsparesort.com)).
